

LEGACY PROFESSIONAL SERIES

SKYLINE 12

SKYLINE SERIES

Skyline 12, the ultimate performer in the Skyline series, features the same dual 12" woofers found in the award winning Legacy Focus SE speaker in the Home Theater Line. The Silver/Graphite 8" midrange is paired with a European compression tweeter to provide excellent performance, perfect for stereo and surround applications. The Skyline 12 can be mounted flat against the wall, or in the corner—making it a versatile option for many different spaces.

Application: High SPL, full range corner or wall mount monitor
Features: Reference grade full range where precision is required
Venues: Theaters, studios, clubs, auditoriums
